Provide course material: presentations, lesson plans, & assessments.

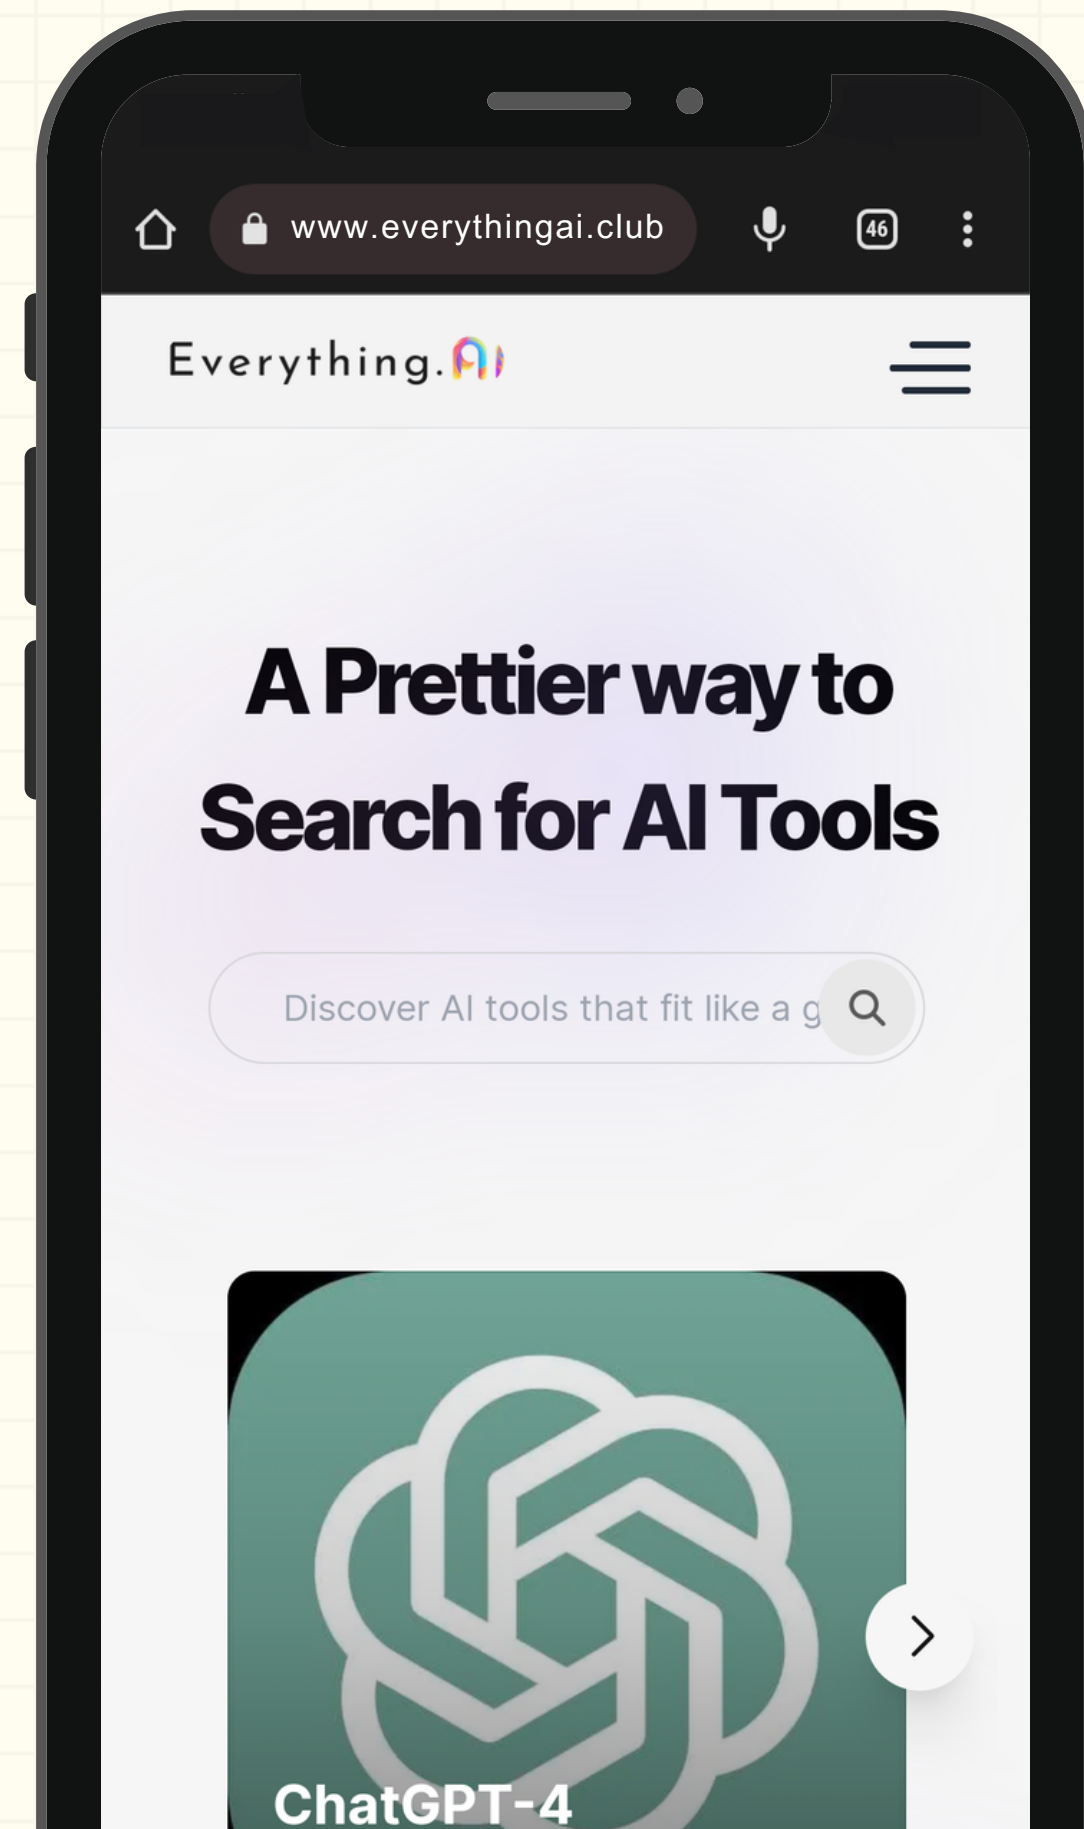

Create curricula and courses around AI

PROMOTE YOUR COMPANY

We are AI evangelists.
We promote AI tools.

Get featured on Everything AI!

Get your tool featured →

Along with getting your tool featured across our website, Everything AI offers an evangelizing/brand partnership bundle, that includes a combination of promotional activities.

Get featured at the top on our website pages.

Promote your tool on our social media pages.

Get featured in our AI community.

Do a podcast promoting your tool.

Forge partnerships with accelerators, VCs, & coworking spaces to promote your tool.

Access to detailed analytics to track the performance of your promotion.

Note: We suggest a 2-month trial period to evaluate the effectiveness of our collaboration. If the trial period doesn't yield the desired results, it will be considered an experiment that didn't meet expectations, allowing us to pivot accordingly.
